WHAT OUR STUDENTS HAVE TO SAY

Sheran Perera

Graphic Intern at Wristlab Pvt Ltd.

Distinction award winner for Certificate in Graphic Designing CPD UK

I learned a lot about graphic design and our lecturer Mr Samantha was really helpful throughout the program. He explained the basics of graphic designing in a manner that even a beginner can understand. All design concepts and how to use various tools in Adobe Photoshop and Adobe Illustrator were professionally put together and thoughtfully explained in great detail. I'm so glad to have participated in this program at AIB Sri Lanka, as it has helped me progress in graphic designing.
